In accordance with the *Copyright Law of the People's Republic of China*, since the date of signature, all copyright owners of the above-mentioned article agree that the article will be published in *Geographic Research*, and that all copyright owners will transfer the right of reproduction, distribution, online dissemination, translation and compilation to the editorial office of *Geographical Research*, i.e. the publishing department of the Institute of Geographic Sciences and Natural Resource Research, CAS, free of charge all over the world. All copyright owners exclusively authorize the editorial office of *Geographic Research* to apply for the copyright registration of the article in any language (any media) according to actual needs.

Copyright owners guarantee:

1. The submitted article is an original research work obtained by the copyright owners independently, and does not involve national secret.
2. The submitted article has not been published in any form at home or abroad in any language.
3. The content of the article does not infringe upon the copyright and other rights of a third-party. Otherwise, the copyright owners will bear all liabilities incurred and compensate all losses caused to the editorial office of *Geographical Research*.

Copyright owners promise:

1. The paper will not be published elsewhere in any form in the future.
2. The copyright owners who signed the agreement shall be regarded as representatives of the copyright owners who did not sign the agreement. The

agreement is binding on all copyright owners (for procurement signature, a consent letter should be sent to the editorial office).

3. The copyright owners who signed the agreement guarantee that they have right to sign and make relevant commitments.

Permitted third party reuse of the articles published by the journal is defined by the following user license: Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 (CC BY-NC-ND 4.0). This license allows reusers to copy and redistribute the material in any medium or format. The licensor cannot revoke these freedoms as long as the license terms below are followed: reusers must give appropriate credit, provide a link to the license, and indicate if changes were made. Reusers may do so in any reasonable manner, but not in any way that suggests the licensor endorses the use. Reusers may not use the material for commercial purposes. If reusers remix, transform, or build upon the material, they may not distribute the modified material. The full details of the license are available at <https://creativecommons.org/licenses/by-nc-nd/4.0/>

Authors have right to spread or make use of the article under the CC BY-NC-ND 4.0 License, including: (1) apply for patent; (2) academic reports and lectures; (3) non-commercial academic exchanges; (4) other rights permitted by the License.
